Brad Traversy's

# Web Dev Guide

The most complete guide to web development technologies on the planet.

This guide also goes into different programming concepts, careers and even mental health.

GET IT FOR \$9.99

## New Course

### Freelance Mastery

Brad Traversy and Kyle Prinsloo have teamed up to bring you a business-based course to show you how to create a successful freelancing business from the ground up.

FIND OUT MORE

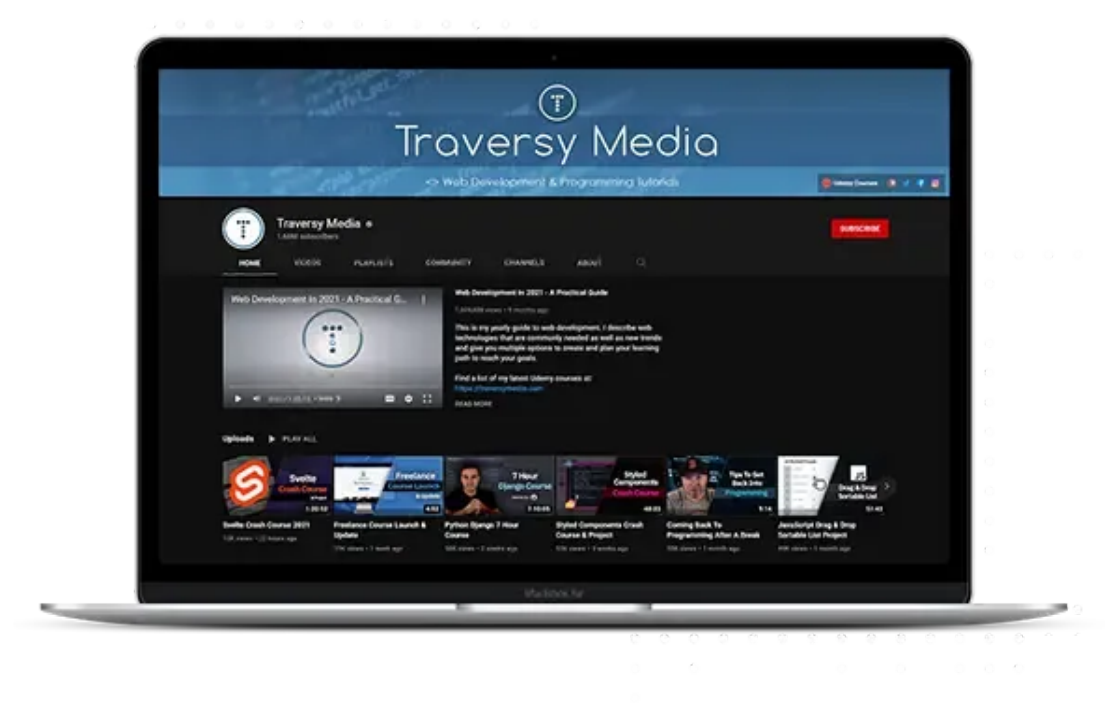

## Who Is Brad Traversy?

I started coding in 2007 at the age of 26. I became a full-time educator & content creator in 2016.

I show people that they don't have to be a straight A student or a genius to learn to code. I break down complex concepts by showing you how to implement them in project-based courses and tutorials.
